“Learning to Live In A Technical World”

TSA Creed

I believe that Technology Education holds an important place in my life in the technical world. I believe there is a need for the development of good attitudes concerning work, tools, materials, experimentation, and processes of industry.

Guided by my teachers, artisans from industry, and my own initiative, I will strive to do my best in making my school, community state, and nation better places in which to live.

I will accept the responsibilities that are mine. I will accept the theories that are supported by proper evidence. I will explore on my own for safer, more effective methods of working and living.

I will strive to develop a cooperative attitude and will exercise tact and respect for other individuals.

Through the work of my hands and mind, I will express my ideas to the best of my ability.

I will make it my goal to do better each day the task before me, and to be steadfast in my belief in my God, and my fellow Americans.

National Conference
1st place reimbursement for winners

Look for the forms on our website for student reimbursement for all 1st place winners who will be attending the National Conference in Nashville, TN.

There will be an Individual Form for students who are paying their own registration and being reimbursed individually. There will be a School Form for schools or chapters who pay for all their members in one check. The school or chapter will be reimbursed. Moneys will be reimbursed in the fall.
Code of Conduct
For all conference participants

The code of conduct is designed to create a pleasant atmosphere and a safe environment for all TSA conference attendees.

- All members shall behave in a courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their school, and their families or TSA.
- All members are expected to attend all general sessions and activities assigned, including workshops, competitive events, committee meeting, etc., for which they are registered.
- Conduct that is not conducive to a business environment will not be allowed. Such conduct includes, but is not limited to, actions disrupting a businesslike atmosphere, inappropriate public display of affection, association with non-conference individuals or activities, which endanger self or others.
- There shall be no defacing of public property. Any damages to the property or furnishings in hotel rooms or buildings must be paid by the individual(s) or chapter(s) responsible.
- Members shall keep the chapter advisor informed of their activities and whereabouts AT ALL TIMES. Accidents, injuries or illnesses must be reported to the local and state advisor when they occur.
- Medical Release Forms are required for all activities.
- Conference attendees shall possess no alcoholic beverages, narcotics or firearms in any form, at any time, under any circumstances, and the use of tobacco products is prohibited.
- Conference identification badges must be worn at all times by all conference attendees.
- Conference curfews are established for the safety of the members and are listed on page 14 of this program. Curfews will be strictly enforced. Chapter advisors are responsible for their students.

Conference Reminders

- Contestants/Teams must be present at the 29th Annual Awards Session to receive their awards.
- Conference participants are required to abide by the Dress Code printed in this program. Appropriate dress is required for all meetings, events, and General Sessions.
- All conference attendees (not just delegates) should participate in the Meet the Candidates Sessions.
- All finalist results will be posted at Room 2 of the Convention Center.

Welcome from Heather Henderlight,
TN TSA Youth Consultant

On behalf of the Tennessee Department of Education and the Division of Career & Technical Education, I would like to welcome everyone to Chattanooga, host for the 29th Annual TN TSA State Conference. This is the last of our 3 years here in Chattanooga, so I encourage you to explore many of the fantastic restaurants and attractions the city has to offer.

I would like to thank all of our TSA Chapter Advisors for a great year and for their hard work and dedication to our association. I want to congratulate our membership for the commitment you have made this year in becoming a member of TSA and for being present at our conference.

You will get out of this conference what you put into it. Our conference offers you the opportunity to compete in a wide variety of Technology Engineering Education events, make new friends, develop your leadership abilities, and learn more about TSA! Our conference theme is: Find Your Beat With TSA. The Tennessee TSA State Officer wanted to recognize that each of our members are unique individuals with diverse talents and interests. Each of these individuals comprise the most dynamic state association in the country - Tennessee TSA! We encourage you to take time this week to create lasting memories while at this conference.

Over the next three days the membership will be competing in over 62 events, making important decisions for the future of our association, electing a new set of state officers, and discover new strengths and talents.

I challenge everyone to get to know new members from across the state, and do your best in your competitive events. During the conference take time to thank your advisor, parents, and chaperones for giving you this opportunity.

Everyone is expected to fully participate in the all three general sessions, attend delegation meetings, and be on your best behavior. You are representing your school, your parents, and our association!

Again, I would like to thank all of our dedicated advisors, state staff, teacher educators, alumni, business and industry partners and distinguished judges for helping to plan, organize, and coordinate this conference. Over the next few days, you will be the unsung heroes. We express our gratitude to you and want you to know how important you are to the effectiveness of this conference.

Enjoy our state conference and I hope to see many of you in Nashville at the 29th Annual National TSA Conference June 24-28 at the Opryland Hotel.

Heather Henderlight,
TSA Youth Consultant

Find Your Beat With TSA!
Hello TN TSA! On behalf of the State Officer Team, it is my honor to welcome all students, advisors, and guests to the 29th Annual TN TSA State Conference. Much work has gone into making this conference a rewarding and exciting time for everyone in attendance, and we are looking forward to sharing this occasion with you.

Over the next few days, you will have the opportunity to compete, learn, meet new people, and participate in numerous other activities. It is our hope that your experiences this week will allow you to Find Your Beat With TSA. Each one of you has a unique leadership style, and the activities we have planned for you will help you to discover and develop your abilities. Take advantage of every chance given to you, and strive to make the most of this years State Conference.

This year I have had the privilege of serving TSA along with the other members of your State Officer Team. I would like to thank you for this opportunity, and I hope that you have found this year to be as rewarding as I have.

Enjoy the 29th Annual TN TSA State Conference, and Find Your Beat With TSA!

KC Cushman

Keynote Speaker - Scott Chevalier

Scott has spent over 20 years communicating to youth all over the United States and Canada. Scott is the founder of the Powerhouse Youth Project. A non-profit organization created to meet the physical, mental and spiritual needs of students. The program is a model of excellence and defines the term “edutainment”. The Powerhouse Youth Project has been engaging students in the Middle School and High School platform for the past 6½ years. The program has been compared to any large scale concert in Nashville with the utilization of a live band. Powerhouse partners with the STARS program, Youth Alive and Free, Jason Foundation, and NOAH’s promise to elevate their projects and multiply the message of “normalization”, defined as it is normal to not do drugs and alcohol. Simply put, Powerhouse believes in students and their future.

Powerhouse is a prevention program with numerous reference letters from teachers, student resource officers, administrators, and most importantly the students. You can learn more on our information web site located at www.powerhouse.org
