**TSA Motto**

*“Learning to Live In A Technical World”*

**TSA Creed**

I believe that Technology Education holds an important place in my life in the technical world. I believe there is a need for the development of good attitudes concerning work, tools, materials, experimentation, and processes of industry.

Guided by my teachers, artisans from industry, and my own initiative, I will strive to do my best in making my school, community, state, and nation better places in which to live.

I will accept the responsibilities that are mine. I will accept the theories that are supported by proper evidence. I will explore on my own for safer, more effective methods of working and living.

I will strive to develop a cooperative attitude and will exercise tact and respect for other individuals. Through the work of my hands and mind, I will express my ideas to the best of my ability.

I will make it my goal to do better each day the task before me, and to be steadfast in my belief in my God, and my fellow Americans.

## Welcome from Heather Henderlight, TN TSA Youth Consultant

On behalf of the Tennessee Department of Education and the Division of Career & Technical Education, I would like to welcome everyone to Pigeon Forge for the 31st Annual Tennessee TSA State Conference.

Over the next three days the membership will compete in 59 events, elect a new set of state officers, and discover new strengths and talents.

I challenge you to meet members from across the state, practice your leadership skills, and do your best in your competitive events. During the conference take time to thank your advisor, parents, and chaperones for giving you this opportunity.

Everyone is expected to fully participate in all three general sessions, attend leadership workshops and give it your best in competition. Our association asks that all attendees be on their best behavior. Security guards will be posted at all times on both properties watching the hallways and balconies. You are representing your school, your parents, and our association, do your best to make us proud!

I would like to thank all of our dedicated advisors, state staff, teacher educators, alumni, business & industry partners and distinguished judges for helping us this week. I want each of you to know how important you are to the effectiveness of this conference.

Enjoy our state conference and I hope to see many of you in Denver, Colorado at the 31st Annual National TSA Conference June 28-July 2 at the Sheraton Denver Hotel.

Best Wishes,  
*Heather Henderlight*  
TN TSA Youth Consultant

**Welcome from  
Matt Crabtree, TN TSA State President**

Hello Tennessee TSA!

On behalf my fellow state officers, it is an honor to welcome everyone to the 31<sup>st</sup> Annual Tennessee TSA State Conference. This year has flown by so fast, and much work has been put into making this our State Conference an exciting and eventful experience for all those attending.

The theme for this year’s conference, “TSA, What is Your Mission?” challenges all members to determine what they will gain from their experience as a member. TSA offers numerous opportunities to grow in the areas of leadership and technical skills. TSA is beneficial to all members when you identify what skills can be gained and strengthened by participating. We hope your mission this week will include activities such as: trying your best in competitive events, attending sessions to learn more about yourself and our organization, networking by meeting new people, and becoming involved in civic activities through the state officer election.

We are fortunate to be able to host this year’s conference again in the great city of Pigeon Forge. Rather it be go-carts, putt-putt, or shows such as the Black Bear Jamboree, this city has something for everyone. With so many things to do, we hope you take advantage of all that Pigeon Forge has to offer.

Finally, I would like to thank all of you for giving me the opportunity to serve this year as your state president. I have had the privilege of serving with such an amazing officer team, and I will definitely miss the countless pictures, funny moments, and late nights during meetings. I wish you the best of luck in both your competitions and discovering your mission this week.

Thank you and God bless,

*Matt Crabtree*

ALL participants must register for the conference.

Identification (name badges) must be worn on the chest at all times by all participants during the conference. Curfew is at 11:00pm. After that time an adult must accompany any student(s) when outside of assigned rooms.
