The next order of the day was the consideration of the proposed bylaw revision to the Tennessee TSA Bylaws submitted by Hardin Valley Academy. Hardin Valley Academy Delegate, Veronica Sublett moved to adopt the proposed bylaw revision. Delegate Olivia Jones, from Karns Middle School, moved to amend the revision. The amendment as presented, stated that the revision be amended by striking the proposed wording of Article V Section II of the Proposed Bylaw Revision and inserting: "each chapter will be entitled to two (2) votes for their first ten members present at state conference. For every additional five members present, they will receive one (1) additional vote. Each state officer and national officer (from Tennessee) in attendance will also have one (1) vote." Delegate Derek Ehrnschwender, from Bearden High School, proposed an amendment to the amendment to strike the phrase "For every additional five members present, they will receive one (1) additional vote" and insert the language "For every additional ten members present, they will receive one (1) additional vote." The amendment to the amendment failed, and the question back on the floor was the amendment moved by the Karns Middle School delegation. This amendment failed too. State President Parks Fillauer asked for further discussion and after hearing none, proceeded to the vote. The proposed revision to the Tennessee TSA bylaws passed with the necessary two-thirds (2/3) vote. State President, Parks Fillauer noted that the revision would become binding upon the closure of the business meeting – as stipulated in the revision.
