TSA Motto

“Learning to Live In A Technical World”

TSA Creed

I believe that Technology Education holds an important place in my life in the technical world. I believe there is a need for the development of good attitudes concerning work, tools, materials, experimentation, and processes of industry.

Guided by my teachers, artisans from industry, and my own initiative, I will strive to do my best in making my school, community, state, and nation better places in which to live.

I will accept the responsibilities that are mine. I will accept the theories that are supported by proper evidence. I will explore on my own for safer, more effective methods of working and living.

I will strive to develop a cooperative attitude and will exercise tact and respect for other individuals. Through the work of my hands and mind, I will express my ideas to the best of my ability.

I will make it my goal to do better each day the task before me, and to be steadfast in my belief in my God, and my fellow Americans.

Welcome from Heather Henderlight, Tennessee TSA State Advisor

To our conference attendees:

On behalf of the Tennessee Department of Education and the Division of Career & Technical Education, I would like to welcome everyone to Pigeon Forge for the 33rd Annual Tennessee TSA State Conference.

Over the next three days the membership will compete in 58 events, elect a new set of state officers, debate the rules that govern our state association and discover new talents.

I challenge you to meet members from across the state, practice your leadership skills, and do your best in your competitive events. During the conference take time to thank your advisor, parents, and chaperones for giving you this opportunity.

Everyone is expected to fully participate in the general sessions and give it your best in competition. You are representing your school, your parents, and our association, do all you can to make us proud!

I would like to thank all of our dedicated advisors, state staff, teacher educators, alumni, business & industry partners and distinguished judges for helping us this week. I want each of you to know how important you are to the effectiveness of this conference.

Enjoy our state conference and make plans to attend the 33rd Annual National TSA Conference, June 21-25 in Dallas, Texas at the Gaylord Texan Resort.

Best Wishes,

A handwritten signature in cursive script that reads "Heather V. Henderlight". The signature is written in dark ink on a white background.

Tennessee TSA State Advisor

**Welcome from
Parks Fillauer, TN TSA State President**

To My Tennessee TSA Family,

Welcome to the 33rd Annual Tennessee TSA State Conference, and welcome back to the beautiful city of Pigeon Forge. It’s hard to believe that our annual state conference is upon us. So much work has gone in to making this state conference an exciting and rewarding experience, and your state officer team is glad you are apart of it.

Over the next few days you will compete, learn, network, and lead. Hopefully you will discover that through Tennessee TSA you are **Wired for Success**, and even if you don’t bring home a trophy your experiences this week will lead you to new endeavors and achievements in the future. As this is the last of our four-year engagement in Pigeon Forge be sure to take sometime to explore your surroundings.

Make the most out of this years conference, and search for every opportunity to learn more about yourself and your organization. Visit the VEX Robotics tournament, make new friends, thank your advisors, meet the state officer candidates, and be sure you understand the two Bylaw Amendments that will be voted upon this year. You have the power to change our organization.

Over the past three years I have had the privilege of serving Tennessee TSA. It has been a tremendous experience. I would like to thank you for this opportunity. Enjoy the 33rd Annual Tennessee TSA State Conference. I hope you will find, as I have, that through Tennessee TSA you are **Wired for Success!**

Good Luck,
Parks Fillauer

Keynote Speaker TSA Alumnae, Katti Johanns

Katti Johanns was born in Denver, Colorado in 1990 and moved to Knoxville, Tennessee in 1995. She attended Karns Middle and High Schools.

Her career in TSA started in sixth grade and continued past graduation with the alumni program. During middle and high school, she competed at twenty different conferences in a wide variety of competitions ranging from Chapter Team to Agriculture and Biotechnology Challenge. Katti held many chapter offices through the years and served as Tennessee TSA State Reporter and State Vice-President.

Currently, she is a junior at Tennessee Technological University in the Mechanical Engineering Department. Katti is an active member of the American Society of Mechanical Engineers and Kappa Mu Epsilon, a mathematics honor society.

Since January, she works for Denso Manufacturing in Athens Tennessee as a cooperative student. For the rest of the year, she will be working at Denso in the Production Engineering Department instead of attending classes at TTU. Denso produces car parts for Toyota, Honda, GM, and many other companies.

To achieve her goals through college and during the cooperative with Denso, she uses her experiences from TSA to help her assess the situation, solve problems, and implement solutions. Katti is **Wired for Success** because of the knowledge and growth TSA has supplied her.

TSA Signature Robotics Competition MARCH 28, 2011 Harp - 12:00 to 1:30 pm

Learning Labs/Applied Technologies is an Official VEX Partner, Official VEX-TSA Program Supplier, and a long-time TSA (Technology Student Association) supporter.

With the announcement of the signature TSA VEX Robotics Competition, Learning Labs/Applied Technologies is proud to offer several Competition packages that can get your TSA Chapter up and running!

“The TSA VEX Robotics game will be a one-on-one competition played on an 8 x 8 field designed specifically for use in the classroom. Similar to other TSA competitive events, the game will carry over from year to year.”

The game, called Swept Away, requires robot drivers to try and get as many balls from their side of the 8' x 8' field to their opponents' side.

Leadership Workshop "Make Your Own Music" Presented by: Nick Palkowski

Nick Palkowski has several years of student leadership experience including serving as Wisconsin State FFA President. He has over three years of professional presenting experience through the FFA, the University of Wisconsin Student Consultant and Speakers Bureau, the Adventure Learning Program and YourNextSpeaker, LLC.

Nick helps collegiate organizations and faculty take their team building to another level, literally, through both high and low ropes courses.

Nick is currently studying Life Science Communication at the University of Wisconsin-Madison and helping to draw up designs for the first UW-Madison owned high ropes course.

"Make Your Own Music"

Music is all around us. It inspires, it soothes, it sets the mood of our lives.

What are the theme songs of your life? More importantly, who is running the controls? It's time to stop going through life on shuffle, step up and take control. This 45 minute workshop will challenge students to do just that. *Workshop repeats each hour.*

Attendance

Tennessee TSA strongly recommends a minimum of one adult advisor or chaperone for no more than ten student delegates. State advisors or chapter advisors may name an adult chaperone to serve the chapter in this capacity. All adult advisors and/or chaperones must register for the conference, pay the registration fee, and be in attendance for the duration of the conference. There are no restrictions on the number of adult advisors and chaperones who may attend. All teacher, parent, supervisors, and teacher-educators are eligible to serve in this capacity.

- All adults, including parents, must register for the conference. No student may attend, compete, or participate without physical presence of an adult chaperone throughout the duration of the conference.
- Each TSA member must meet the criteria listed below to be eligible to attend the state conference.
- Be a current member in good standing with National and Tennessee TSA. Membership must be on record with National TSA.
- Have the approval of the TSA chapter and/or state advisor.
- Have the approval of the school administration.
- Have the approval of the parent or guardian.
- Complete the Personal Liability and Medical Release forms.
- Be in attendance throughout the duration of the state conference.

Code of Ethics

Student Attendees

1. "Delegate" shall mean any TSA member (voting or non-voting) attending the state conference. This includes all advisors, parents, guests, etc.
2. There shall be no defacing of public property. Any damages to the property or furnishings in the hotel rooms or buildings must be paid by the individual(s) or chapter(s) responsible. Delegates must follow facility guidelines for adhering signs, notices, posters, etc. to walls, doors, or any facility surface.
3. Delegates shall keep their advisors informed of their activities and/or whereabouts at all times.
4. Delegates should be prompt and prepared for all activities.
5. Delegates should be financially prepared for all possibilities.
6. Delegates not staying at the official conference hotel shall be off the hotel grounds by curfew or immediately following the last scheduled event.
7. No alcoholic beverages, narcotics, firearms or weapons, in any form, shall be possessed by delegates, alumni or other conference attendees at any time, under any circumstances.
8. Smoking or gambling in public will not be permitted since a delegate in TSA attire is officially representing Tennessee TSA.
9. No delegates shall leave the conference hotels (except for authorized events) unless permission has been received from chapter advisors.
10. Delegates are required to attend all general sessions and activities assigned, including workshops, competitive events, committee meetings, etc. for which they are registered.
11. Identification badges **MUST** be worn on the chest at all times by all persons in conference attendance.
12. Chapter advisors will be responsible for their delegates' conduct.
13. Delegates violating or ignoring any of the conduct rules will subject their entire delegation/chapter to being unseated and their candidates or competitive events participants being disqualified. Individual delegates may be sent home immediately at his or her own expense. Curfews will be enforced.
14. Casual wear will be acceptable only during specific social functions, as designated.
15. Tennessee TSA reserves the right to dismiss any person from the conference for inappropriate actions.

Code of Ethics

Advisors

1. Advisors shall conduct periodic meetings with their student delegates and voting delegates for the purpose of reviewing the many conference activities of which they may take advantage, obtaining progress reports, emphasizing time schedules, sharing success, and overall, to ensure that the students are taking full advantage of the conference and its activities.
2. Advisors shall keep an agenda of their own schedule and give it to their students so that the advisor may be reached during the conference at any time.
3. Each advisor shall be responsible for ensuring that student participants adhere to all conduct practices and procedures as published in this book.
4. The rules, as stated in the Code of Ethics and in the Dress Code, are called to your attention for review and apply to advisors and parents as well as students.

Safety and Security

The safety and security of TSA members who attend the conference is the utmost concern to the governing body of Tennessee TSA and the State of Tennessee Department of Education. On site there are security guards provided by the hotel and TSA who work closely with local law enforcement. In addition, daily advisor update meetings provide information on how to report any security issues that may arise. As a necessary precaution TSA enforces the following procedures:

ALL participants must register for the conference.

Identification (name badges) must be worn on the chest at all times by all participants during the conference. Curfew is at 11:00pm. After that time an adult must accompany any student(s) when outside of assigned rooms.

The conference is not "open to the public."

Please be advised that personal items brought to the conference for use at the conference are the sole responsibility of the attendee who chooses to bring the items. If a participant chooses to bring items of value, s/he is responsible for their safekeeping at all times. This includes any item of monetary or personal value, including items used in competitive events. TSA accepts no responsibility for replacement of lost, misplaced, or stolen items and will not replace such items. This policy applies to all attendees and includes the conference management team and event coordinators.
