

2025 TNTSA Virtual Regional Conference
On Demand Video Prompt

The world is full of challenges waiting for creative solutions. From environmental issues to everyday inconveniences, innovation has the power to make life better for everyone.

Prompt: You've created a groundbreaking new invention that could solve a real-world problem or improve people's lives. Create a video advertising your invention to inventors or to the public

Required Line of Dialogue: "This changes everything — starting today."

Required Props:

- A pair of gloves
- A cup or mug
- A notebook or journal
