ABOUT US

The Technology Student Association is the oldest student organization dedicated to Science, Technology, Math, and Science (STEM.) We currently have more than a quarter of a million student members nationwide as we strive to improve ourselves and our world through leadership, service, and STEM education.

LEARNING TO LEAD IN A TECHNICAL WORLD

www.tntsa.org
TSA offers its members over sixty middle and high school competitions. Students can compete on teams or as individuals in events that span a broad range of STEM topics and disciplines.

A few popular examples include:

1. Coding
2. Technology Bowl
3. Prepared Presentation
4. Video Game Design

Leadership is integral to TSA. Members can participate in leadership development training and service projects. They also can seek leadership positions at the chapter, state, and national level.

Your 2019-2020 Tennessee TSA State Officer Team:

President: Victoria Hart
Vice President: Isabel Chris
Secretary: Jax Turner
Treasurer: Xiyan Zhu
Reporter: Taylyn Hill
Sergeant-At-Arms: Carson Bock
