

Tennessee Technology Student Association

TECHNOLOGY STUDENT ASSOCIATION®

What is TSA?

The Technology Student Association (TSA) is a national, non-profit organization of middle and high school students who are engaged in science, technology, engineering, and mathematics (STEM).

Key Dates For 2018

- State Conference: April 11-14
- National Conference: June 22-26

Conferences provide a fun, unique opportunity for students to meet members from around the world and participate in state and national activities.

Competitions

Members compete on the regional, state, and national level in over 60 events that involve leadership, research, public speaking, programming, design, and engineering, such as:

- Biotechnology Design
- Animatronics
- Computer Integrated Manufacturing
- Promotional Design
- Debating Technological Issues
- Structural Design and Engineering
- Transportation Modeling
- Future Technology Teacher

Learning to Lead in a Technical World
